

**Whiskers & Coffee:** The local cat café, as well as the protagonists home. They live above the cat café.

**Kaijō High School:** The local high school.

**Kaijōyama Station:** The local train station. There is a line to Shinjuku, Shibuya, and Akihabara here.

**Kaijō Town Centre:** The town centre. It gets very lively when there are events and festivals on.

**Ichigo Park:** Named after the number of wild strawberries that grow here. It also features many Sakura trees and a stream that runs through all the way to Midori Lake.

**Kiirō Bridge:** A particular bridge where wild yokai are often attracted to.

**Tanuki Forest:** The local forest. Aptly named after the Tanuki population in the forest.

**Kaijō Shrine:** The towns local shrine. There are many maneki-neko statues and figures around the shrine. As well as some Sakura trees. The sound of cicadas can be heard here. This is where the local cat colony can be found.

**Hendricks:** The local konbini and supermarket.

**Kuma Hill:** A hill named after the bears that can be seen prowling on occasion. The bears tend to keep to the hill and the local mountain. The mountain is called 大岳山 (Oodakesan) Mount Otake (this is a real mountain in Japan.)

**Midori Lake:** A lush lake on the outskirts of Kaijō.
